Jones, John	01/06/1845	11/27/1920	From Mark Valsame: While John Jones' grave does indicate that he was born in 1845, we know that he was actually born in 1840. On August 26, 1850 in Johnston County, NC, he was apprenticed to Aaron W. Massengill. The apprentice bond indicates that he was "10 years last January," thus indicating that he was born in 1840. The 1850 Johnston County Census also confirms this age.	Illegitimate son of John Cordell and Chaney Jones (according to the research of Todd Johnson). Husband of Susan J. Cannady Coats Jones.
